PROFESSIONAL BACKGROUND

Mark Wirick is an Associate Advisor at SVN | Saunders Ralston Dantzler Real Estate in Lake City, Florida.

Mark brings his clients over 35 years of forest industry experience in a variety of areas, ranging from timber cruising and estimation to tract procurement and silviculture consulting. The breadth of his involvement in the industry has allowed him to gain experience from, and share insight with, numerous landowners and property management teams across North Florida and South Georgia. His background as a small business owner in the realms of natural resource consulting, as well as product retail sales, has allowed Mark to gain valuable insight into financial management as both a buyer and as a seller.

As a 5th-generation Jefferson County, Floridian. Mark's roots run deep in North Florida. He was born, raised, and would go on to rear his own family in Monticello, Florida where he still resides with his wife, Brenda. Mark received his B.S. degree in Forest Management from the University of Florida in 1988 and is a current member of the Florida Forestry Association.

Passion for the outdoors is an understatement for Mark who is an avid outdoorsman. His cherished experiences involving outdoor pursuits serve as a foundation for his belief in the value of preservation and use of recreational timber property. Mark's recreational time is not fully spent in the woods, however, as his free time is often enjoyed on the coastal waters of Florida's Big Bend in the pursuit of saltwater species of fish or drifting down the numerous pristine rivers the area has to offer. His deep love and appreciation for the outdoor experiences has provided clients with first-hand knowledge and insight into the intrinsic values that can be associated with investment
