Each assessment, together with interest thereon and cost of collection thereof as hereinafter provided, shall be a permanent charge and continuing lien upon the lot or lots against which it relates and shall also be the joint and several personal obligation of each lot owner at the time the assessment becomes due and payable and upon such owner's successor in

#### SECTION THREE

The first annual installment for each such lot shall be an amount (rounding the sum to the nearest whole dollar) equal to the annual payment by the number of days in the current annual payment period divided by the number of days in the current annual payment period and multiplied by the number of days then remaining in such annual payment period.

The Developer, or the Association as assignee of Developer, shall upon demand at any time, furnish any lot owner liable for any such assessment a certificate in writing setting forth whether the same has been paid. A reasonable charge may be made for the issuance of any certificate. Such certificate shall be conclusive evidence of any payment of any assessment therein stated to have been paid.

## SECTION SIX

Effect of Non-payment of Assessments, the Personal Obligation of the Owner; the Lien; Remedies of Developer and/or its Assignees, including the Association.

If an assessment is not paid on the date when due as hereinabove provided, then such assessment, together with any interest thereon and any cost of collection, including attorney fees as hereinafter provided, shall be a charge and continuing lien on the respective lot to which it relates and shall bind such property in the hands of the owner, his heirs, legal representatives, successors, and assigns for payment thereof. The personal obligation of the then owner to pay such assessment and related costs shall remain his personal obligation and if his successor in title assumes this personal obligation, such prior owner shall nevertheless remain as fully obligated as before to pay the Developer or its assignee any and all amounts which said lot owner was obligated to pay immediately preceding the transfer of title thereto; and such prior lot owner and his successor in title who may assume such liability shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such lot owner and his successor in title creating the relationship of principal and surety as between themselves other than one by virtue of which such prior lot owner and his successor in title would be jointly and severally liable to make any lot assessment payment.

Any such assessment not paid by the 15th day of March as herein set forth within which such assessment is due, shall bear interest at the rate of eight (8%) percent per annum from such date (delinquency date) and shall be payable in addition to the basic assessment amount then due and payable.

The Developer or its assigns, including the Association, may institute legal action against any owner personally obligated to pay

any assessment or foreclose its lien against any lot to which it relates or pursue either such course at the same time or successively. In such event the Developer or its assigns, including the Association, shall be entitled to recover attorney's fees actually incurred but not exceeding fifteen (15%) percent of the amount of the delinquent assessment and any and all other costs of collection, including, but not limited to, court costs.

By the acceptance by owner of a deed or other conveyance for a lot in the subdivision, vests the Developer or its assigns, including the Association as herein provided, the right and power to institute all actions against him personally for the collection of such charges as a debt and to foreclose the aforesaid lien in appropriate proceeding at law or in equity.

The Developer and its assigns, including the Association as herein provided, shall have the power to bid on any lot at any foreclosure sale and to require, hold, lease, mortgage, and convey any lot purchased in connection therewith.

No owner shall be relieved from liability from any assessment provided for herein by abandonment of his lot or lots.

#### SECTION SEVEN

Subordination of the Charges and Liens to Mortgages Secured by Promissory Notes. The lien and permanent charge for the annual and any special assessment together with interest thereon and any costs of collection) authorized herein with respect to any lot is hereby made subordinate to the lien of any mortgage placed on any lot if, but only if, all assessments with respect to any such lot having a due date on

or prior to the date of such deed of trust is filed for record have been paid in full. The lien and permanent charge hereby subordinated is only such lien and charge as relates to assessments authorized hereunder having a due date subsequent to the date such lien of mortgage is filed for record prior to the satisfaction, cancellation or foreclosure of such lien of deed of trust or sale or transfer of any mortgaged lot pursuant to any proceeding in lieu of foreclosure or the sale under power contained in any deed of trust.

- (a) Such subordination procedure is merely a subordination and not to relieve any lot owner of the mortgaged property of his personal obligation to pay all assessments coming due at a time when he is a lot owner; shall not relieve such property from the lien and permanent charge provided for herein (except as to the extent the subordinated lien and permanent charge is extinguished as a result of such subordination or against the beneficiary of the lien of a deed of trust or his assignees or transferee by foreclosure or by sale or transfer in any proceeding in lieu of foreclosure or by power of sale); and no sale or transfer for such property to the beneficiary of the lien of any deed of trust or to any other person pursuant to a foreclosures sale, or pursuant to any other proceeding in lieu of foreclosure, or pursuant to a sale under power, shall relieve any existing or previous owner of such lot of any personal obligation, or relieve any subsequent lot owner from liability for any assessment coming due after such sale or transfer of title to a subdivision lot.
- (b) Notwithstanding the foregoing provision, the Developer or its assigns, including the Association as herein provided may, in writing at any time, whether before or after any lien of deed of trust is placed upon a subdivision lot, waive, relinquish or quitclaim in whole or in part the right of Developer or its assigns, including the Association as herein provided, to any assessment provided for hereunder with respect to such lot coming due during the period while such property is or may be held by any beneficiary of the lien of any deed of trust pursuant to the said sale or transfer.

## SECTION EIGHT

Exempt Property. Each lot shall be exempt from the assessments created hereunder until the execution and delivery of a deed from the Developer, its successors and/or assigns in interest to an owner making the lot conveyed subject to these Declarations.

Except as expressly provided in this Section Eight, no lot shall be exempt from assessments
