

## Property Description, Details, & Features

Discover your own slice of paradise with this stunning rural acreage property! Spanning over 57 acres, this breathtaking estate features multiple living sites, each equipped with its own living and sleeping quarters and kitchen, perfect for families or guests seeking tranquility and privacy.

The renovated brick farmhouse is 2 bedroom/2 bath with attached patio, deck and screen gazebo. The kitchen is bright and spacious with generous areas for entertainment and relaxation. Steps away is a multi-purpose building and potting shed/greenhouse room. This includes a one-car garage/workshop. A two-story historic barn with lean-to parking for equipment storage is nearby.

The Grand Getaway is a renovated commercial/agricultural building which is live-in ready and waiting for your creative ideas. This area has a bathroom and kitchen/laundry area and could be perfect for an event/hospitality venue. This building has a separate gated entry and private drive. There are also two storage buildings at this location.

An additional area is located at the travel trailer campsite next to the stocked pond. Relax at the deck at the pond's edge or enjoy a campfire at the firepit at this location.

The Rainforest Retreat has an open floor plan with living/dining/kitchen area and sleeping quarters and one full bathroom. Relax on the front deck or by the firepit. Steps away is another deck at the creek. This location has a secluded private entry and is surrounded by woods.

The Caribbean Woods Cottage has an open floor plan with living/dining/kitchen and sleeping quarters, upstairs loft sleeping area and a full bathroom all on an upper level. The lower level is an open patio area with bar and entertainment areas and firepit, private entry and drive.

If you require more space, there is a lighted, fenced and gated farm equipment yard with storage building and concrete pad.

There are three wells, 4 septic systems on this property. Fiber optic internet to be available in near future.
